

Pet Point Animal Hospital
where pet love and human compassion meet

OUR PREVENTIVE CARE/WELLNESS PLANS

Monthly Wellness Plans Include:

- **Comprehensive Physical Exams**
- **Appropriate tests for your pet's age and health**
- **High-quality vaccinations, spay/neuter/teeth cleaning**
- **Early screening for serious illness**

Wellness Plans are designed to provide preventative care for your pet throughout all stages of life. Our plans cover the routine care and preventative screenings that are essential for detecting diseases early on. Preventative care can improve your pet's quality of life and help add more healthy years.

Best of all our plans feature budget friendly monthly payments making it even easier to manage your pet's healthcare costs. Additionally we have teamed with VPI Pet Insurance to provide a special discount available only to care plan members. Preventive care for your pet is available through one of our wellness plans! Please call Pet Point Animal Hospital at **(813) 428-6994** for more details.
